of a War With Chili.

The Administration Concedes His Defeat-Miss Winnie Davis in a Theatre Party-New York News.

NEW YORK BUREAU RICHMOND TIMES | Oct. 29, 1891.

Officers at the navy-yard uniformly decline to discuss the prospects of war between this country and Chili. No new orders touching the equipment for sea of the ships now at the Brookiyn navy-yard were received from Washington to-day, but it would not surprise anybody on the station if such instructions were to be wired at any moment. Preparations are making to dock the monitor Miantonomah, and ing to dock the month of the said she could start on a cruise in a week and go to Chili with perfect safety. The stability of the monitor is beyond a doubt sufficient to make her a first-rate sea boat. Other ships available here are the thiladelphia (threese Patral Bennington Concord Chicago, Petrel, Bennington, Concord and Atlanta.

SHIPPERS IN A DILEMMA.

Chilian shippers here are feverish. They do not know what to say or what to do. They sean the cable reports hourly, and to the most casual observer it is easy to be seen that exciting and important news is to be expected within the next twenty-four hours. Most of them believe that everything will soon be settled and the administration is trying to make election capital out of the binfi they are putting up on weak little Chili.

The Evening Fost has a special from Washington, which says. "A Republican politician of approved sagacity, who is an officer in one of the executive departments, and who was requested during a trip to New York from which he had just returned to make, in behalf of the administration, a careful estimate of SHIPPERS IN A DILEMMA.

The reason given is the World's Fair issue: and the special further says that President Harrison is pleased at the news, because the campaign managers refused to take his advice. Some fifty Congressmen, colleagues of Mr. Flower, are in the city or will arrive to take part in the finish of the campaign. MISS WINNIE DAVIS.

Miss Winnie Davis, daughter of the late Jef-ferson Davis, was a member of a large theatre party given by Mrs. Willard Ward, of New York, at Mr. Richard Mansfield's performance of "A Parisian Romance" at the Amphion to-night in Brooklyn.

WILL BE A REAL MOTION.

Andrew H. Green, one of the executors of the Tilden will and one of the directors of the chartered Tilden trust, said to-day that the motion for a reargument of the case be-fore the Court of Appeals would be a real motion and not a merely formal or perfunc-tory application for a reargument. How's Your Liver?

Is the Oriental salutation. knowing that good health cannot exist without a healthy Liver. When the Liver is torpid the Bowels are sluggish and con-stipated, the food lies in the stomach undigested, poisoning the blood; frequent headache ensues; a feeling of lassitude, despondency and nervousness indicate how the whole system is deranged. Simmons Liver Regulator has been the means of restoring more people to health and happiness by giving them a healthy Liver than any agency known on earth. It acts with extraordinary power and efficacy. NEVER BEEN DISAPPOINTED.

Asageneral family remedy for Dyspepsia, Torpid Liver, Constipation, etc., I hardly ever use anything else, and have never beet disappointed in the effect produced; it seems to be almost a perfect cure for all diseases of the Stomach and Howels.
